

Soccer Fun for a Birthday or Team Party

Fun and Games ALL the kids will love

Need some soccer fun for a birthday party or for a team? Our Crazy Soccer Party will do the trick

While we run the activities you can all sit back, relax and watch them unwind with sporty fun and games galore. The only thing you will need to do is keep them energised with food and drink

Expect lots of excitement, laughter and especially noise as they enjoy well over 20 different activities

The more space the kids have to enjoy the activities the more fun it will be for them. You will need to have this fun in a park or at your club grounds; definitely not in a backyard

What does it cost? \$275 for a 100 minute party or \$330 for the more popular 135 minute party. Both include breaks for drinks/nibbles and is for up to 20 kids. Your other questions are answered further below.

The main party fun activities they get to enjoy include:

SPEED GAMES - Using a speed gun they will find out just how fast they can kick, throw or hit . The big favourite is obviously their soccer kick speed. Others are throw-ins, sprinting and tee-ball slogging!

GIANT SOCCER BALL FUN - When this 1 metre ball comes out the first response is "WOW". First we will warm the ball up by squashing them with it. Then we will challenge them with chesting the ball to see if they can stay on their feet. Then it's a big favourite - Poison Ball. They can also try goal kicks, distance kicks, time trial challenges and more. A soccer game is too dangerous as all rules go out the window!

CHOOK SPORTS - The kids go crazy over the fun we have created with the humble rubber chicken. As every child gets their very own squawking chook it will get extremely noisy. So be warned! We will find our Chook Chuck Champ for the day and let them try "raining chickens". We'll also gather the kids and their chooks together for you for that special party photo moment.

WACKY SPORTS & TRADITIONAL GAMES - They can try traditional games with egg n spoons, jumping sacks, 3 legged races and relay races OR go totally "wild n wacky" with mini vortex's, mini soccer balls, thong tossing and dodgeball. Which do you think they will go with?

This fun is for kids aged 5 to 10. It is not for teenage or senior teams. If you need fun for the whole club we have exactly what you need at - www.strikepower.com.au

Parents can join in the fun at anytime. But beware! If beaten by the kids there will be no place to hide!
