5th Birthday Party Fun and Games for the Little Ones

A Crazy Sports Party for 5 year old boys and girls is totally about having FUN.

We always keep their activities nice and simple with lots of "easy to do" non contact sporty fun and games.

Not only will we keep these little ones constantly on the go but also highly entertained. So expect lots of excitement, loads of laughter and plenty of noise.

With their short attention span we also keep the party short - 70 minutes - comprising of 2 x 30 minute sessions split by a 10 minute "half-time" for drinks, nibbles and a breather.

Most 5 year old parties are a mix of boys and girls. This party fun is definitely NOT just for boys.

To maintain their attention they will have fun and games with at least 20 different activities.

For this to happen we bring smiley balls; mystery balls; mini soccer balls; mini vortex's; mini chooks; thongs; parachute; egg n spoons; jumping sacks and our extremely popular Crazy Chooks!

Crazy Chooks are a huge hit at every party. To help the kids "bond" with their new mate all are named e.g. Drumstick, Noodles, Egg Head, Bonkers, Crazy, Kay-ef-see, Chicky Babe, Snack Pack, Barbie Q, etc.

They will also have extra special fun with a Giant Soccer Ball which most will not even be able to see over. If time we'll have them shoot our Giant Rocket Launcher at one very freaked out rubber chook.

The more space the kids have to enjoy the activities the more fun they will have. That is why parties in a park are always the best parties

A backyard party will only work if you lots of open space and no distractions such as trampolines.
