### 6th Birthday Party Fun and Games for Little Ones

A Crazy Sports Party for 6 year old boys and girls is all about having FUN.

We always keep their sporty fun and game activities very "easy to do" and definitely non contact

Besides keeping them constantly on the go we also make sure they are kept highly entertained. So be prepared for lots of excitement, loads of laughter and plenty of noise.

Most 6yo parties have a mix of boys and girls. This party fun is definitely NOT just for boys. We have also run very many successful all girls parties too

There are 2 party choices. A 70 minute or a 100 minute party. Both include breaks for drinks and nibbles.

During the party they will have fun and games with about different 20 activities using tennis balls, mini soccer balls; t-ball stands; mini vortex's; mini chooks; thongs; parachute; egg n spoons; jumping sacks, and our extremely popular Crazy Chooks plus Giant Soccer Ball

Crazy Chooks are a huge hit at every party. To help the kids "bond" with their new mate all are named e.g. Drumstick, Noodles, Syko, Bonkers, Crazy, Weirdo, Kay-ef-see, Chicky Babe, Barbie Q, etc.

Expect plenty of crazy antics with the Giant Soccer Ball which some will not even be able to see over. If time we'll have them shoot our Giant Rocket Launcher at one very freaked out rubber chook.

The more space the kids have to enjoy the activities the more fun it will be for them. That is why parties held in a park are always the best parties.

A backyard party will only work if you have lots of open space and no distractions like trampolines.
