9th Birthday Party Fun for Boys and Girls

Fix

Our Crazy Sports Party for 9 year olds is jam packed with sporty fun and crazy games galore.

Neither girls or boys need to be big on sport to enjoy this party. If they like having a good time and a good laugh they'll love this party. Expect them to have fun with at least 25 activities during the party.

This party is definitely NOT just for boys. We have run many very successful mixed and all girls parties too

While we run the fun side of the party all you need to do is keep them energised with food and drink.

The more space the kids have to enjoy the activities the more fun it will be for them. That is why we find parties that are held in a park are always our best parties

Backyard parties will only work if you have lots of open space and no distractions like trampolines

Because we know how spirited boys are and how girls just want to have fun we have come up with different party formats for each. If it is a mixed party, which many are, we have that covered too

The main party fun activities they get to enjoy include:

SPEED GAMES - This is speed gun fun to see how fast they can throw, kick, hit and more. Favourite speed activities are soccer and footy kicking, throwing, tee ball slogging and how fast they can run

GIANT SOCCER BALL FUN - When this 1 metre ball comes out the first response is "WOW". They love it when we have them lie down and squash them with it. Chesting this big ball is always a challenge they love to take on. Then it is a big favourite - Poison Ball. If they want more they can also try goal shots, distance kicks and time trial challenges

WACKY SPORTS & TRADITIONAL GAMES - It's wild n wacky crazy fun with dodge ball, mini vortex's, mini soccer balls, tee ball slogging fun and a giant rocket launcher OR "normal" games such as egg n spoon races, jumping sacks, 3 legged races, etc. Boys want only wacky games while girls enjoy both

CRAZY CHOOK GAMES - Expect noisy mayhem when we bring out our poor freaked out rubber chickens. Everyone gets their very own squawking chook for some very perculiar games. We also get the kids and their chooks together for you for that special party photo moment. Each chook is also named e.g. Syko, Noodles, Drumstick, Terry Aki, Weirdo, Burger, Dip Stick, Crazy, etc.

We are flexible with party activities. For example if your child loves soccer let us know when you book and we will include extra soccer activities to make their party is even more special
