

## 10th Birthday Party Fun and Games

Birthday Party Fun and Games Galore for Boys and Girls

--

A Crazy Sports Party for 10 year olds is chock full of sporty fun and crazy wacky games galore.

If your child is turning 11 or 12 this party fun is still very suitable for them too.

Neither boys or girls need to be big on sport to enjoy this party. If they love having a good time and a good laugh they'll love this. Expect them to have fun with well over 20 activities during the course of the party.

While we run the fun side of the party all you need to do is keep them energised with food and drink.

This fun is definitely NOT just for boys. We have run many very successful mixed and all girls parties too.

If you would like to know what other parents have to say about our parties please click on the green box to your right. If it's a party for or including girls read the testimonial from Wendy

The more space these 10 year olds have to enjoy their activities the more fun it will be for them. That is why we find parties held in a park are always the best parties

Backyard parties only work if you have lots of open space. And 10 year olds really do need plenty

Because we know how spirited boys are and how girls just want to have fun we have come up with different party format

for each. If it's a mixed party, which many are, we have that covered too

The main party fun activities they get to enjoy include:

**SPEED GAMES** - This is speed fun to find out how fast they can throw, kick, hit and more. Favourites are soccer and footy kicking, throwing, pitching, tee ball slogging and sprinting

We also bring a board which has the speed records for their own age for all the ball sports. If they can beat any of our awesome records they become the new record holder.

**GIANT SOCCER BALL FUN** - When this 1 metre ball comes out the response is "WOW". We warm the ball up by squashing them then it's the chesting the ball challenge. Then it's a big favourite - Poison Ball. If they want more they can try goal shots, distance kicks and time trial challenges

**WACKY SPORTS & TRADITIONAL GAMES** - It's wild n wacky crazy fun with dodge ball, mini vortex's, mini soccer balls, tee ball soggng, thong tossing and giant rocker launcher OR "normal" games such as egg n spoon games, jumping sacks, 3 legged races, relay races. Boys only want to do the wacky sports while girls enjoy both.

**CRAZY CHOOK GAMES** - Expect noisy mayhem when we bring out our poor freaked out rubber chickens. Everyone gets their very own squawking chook to participate with in some very unusual games. We also get the children and their new best friends together for you for that special party photo moment.

We are flexible with party activities. For example if your child loves soccer let us know when you book and we will include extra soccer activities to make their birthday party even more special
