

## Crazy Games Party

Party Fun and Games for Girls and Boys aged 4-10

If you're looking for active fun and games for your child's birthday party we can help

It will also be stress free for you because we run the fun

Apart from occasionally topping them up with drinks and nibbles you can sit back, relax and enjoy the party with your family and friends.

We not only keep them active but also entertained. So expect lots of excitement, loads of laughter and heaps of noise

During the party they will be kept on the go having fun and games with about 20 different activities. Even the easily bored stay interested and curious about what they will do next.

The activities are age suited. The fun for little ones is kept very simple and "easy to do" while the bigger kids are suitably challenged

You have 2 party choices. A 70 minute or 100 minute party. The shorter party is ideal for ages 4-7 while 8's and over can easily handle the 100 minute party. Both parties include breaks for drinks and nibbles.

"It was the best to see 16 little girls laughing and having so much fun"...Marina

The more space they have to enjoy the activities the more fun it is. Parties held in a park are always the best parties.

A backyard party will only work if you have lots of open space and no distractions like trampolines.

Most parties are a mix of boys or girls. If it's all boys or all girls the activities will be a little bit different for each. This is because girls simply want to have fun while boys want it more "full on"

The children have fun with:

- Giant ball games
- Jumping sacks games
- 3 legged games
- Egg n spoon games
- Parachute games
- Mini vortex games
- Thong games
- Mini Chook games
- Crazy Chook games
- Rocket launcher games
- and more

#### FREQUENTLY ASKED QUESTIONS:

How do I make a booking? Call John on 0418 151 874 or complete an enquiry form. No deposit is required. Payment is on the day, preferably by cash. If you haven't chosen a park yet that's fine. You can still book your party now and advise the park location later on

What time can you do a party? Starting anytime from 9am to 10am, 12-30pm (70 minutes only) or from 2-30pm on. Suggestion. Have the children start arriving 30 minutes before we begin so all are there by the time we are booked to start

Do you do after school parties? Yes. Generally with a 3-30pm, 3-45pm or a 4pm start.

Do you supply invitations? Yes. For your free party invitations click on "Chuck the Chook" in the green box to your right. You will find a pdf from which you can print 2 invites per A4 page

When choosing a park what should I look for? Definitely toilets; followed by a table, shade and a reasonably flat open area for the activities. NEVER set up near a playground as it will be a huge distraction. The further away you are from the playground the better the party will be

Do the children need to wear special clothing? Hats for sun protection and shoes suitable for running

Do you stop for food and drinks? Yes. They will have a break every 30 minutes for food, drinks and a breather. We suggest you leave any hot food and the birthday cake until after we finish

What if it is raining or likely to rain? A passing shower is not a problem but a constant downpour is. If the forecast is "rain" you can postpone or cancel. There is no cancellation fee. The final decision can be left till a few hours before the party if need be

Do you have a Blue Card / Liability insurance? Yes

Do you supply food / prizes? No
