

11th Birthday Party Fun

Birthday Party Fun and Games Galore for Boys and Girls

An Aussie Sports Party for 11 year olds is chock full of sporty fun and novel activities galore.

Neither boys or girls need to be big on sport to enjoy this party. If they love having a good time and a good laugh they'll love this. Expect them to have fun with well over 20 activities during the party.

While we run the fun side of the party all you need to do is keep them energised with food and drink.

Because we know how spirited boys are and how girls just want to have fun we have devised different party formats for each. If it is a mixed party we have that covered too.

This fun is definitely not just for boys. We have run many successful girls and mixed parties.

What does it cost? \$275 for a 100 minute party or \$330 for our more popular 135 minute party. Both are for up to 20 children and include drinks/nibble breaks. All your other questions are answered further below.

If your weekends are busy we can help with a 100 minute After School Party which is cheaper at \$250

The more space the kids have for activities the more fun it will be for them. We can run the party in your backyard but for their maximum enjoyment we really do recommend you have this party in a park

The main party fun activities they get to enjoy include:

SPEED GAMES - This is fast paced fun where they can see what speed they can throw, kick, hit and more into our sports booth. Favourite speed activities are soccer and footy kicking, tee ball slogging, pitching and pegging. The full list of speed activity choices is below.

We also bring a board which has the speed records for their own age for all the ball sports. If they can beat any of our awesome records they become the new record holder.

GIANT SOCCER BALL FUN - When this 1 metre ball comes out the first response is "WOW" followed by an excited frenzy. They then have fun with goal kicks, distance kicks, time trial challenges and more. We usually finish off with a big favourite - Poison Ball.

WACKY SPORTS & TRADITIONAL GAMES - This is wild n wacky crazy fun with dodge ball, mini vortex's, mini gridiron balls, mini soccer balls and a giant rocket launcher "normal" games like egg n spoon games, jumping sacks; 3 legged races, relay races etc. Boys go crazy over the wacky sports while girls enjoy both

CRAZY CHOOK GAMES - Expect noisy mayhem when we bring out our poor freaked out rubber chickens. Everyone gets their very own squawking chook to participate with in some very perculiar games. We also get the children and chooks together for you for that special party photo moment.

Frequently Asked Questions

How do I make a booking? Call John on 0418 151 874 or complete our enquiry form. No deposit is required. It is simply payment on the day by cash or cheque. If you haven't chosen a park yet it isn't a problem. You can go ahead and book your party now and advise the park details later on.

What times can you do a party? Anytime between 8am and 10am or from 2-30pm onwards. Suggestion- Have the children arrive about 15 minutes before our activities start so all can be there for the "kick-off"

Do you do after school parties? Yes. Generally with a 3-30pm or 4pm start. It is also cheaper

How many children should I invite? The "ideal" number for this age group is approx 15 but we can run a party for any number up to 20 which includes the birthday child and siblings. Please note we only bring enough gear to cater for 20 children. If there are more than 20 some will be unable to participate in various activities as we would not have enough balls etc. to go around.

When choosing a park what should we look for? Toilets are a definite followed by tables, shade and a good size flat open area for activities. This age group like and need lots of room

Do the children need to wear special clothing? Hats for sun protection and shoes suitable for kicking in.

Can you stop for food and drinks? They will have 5 minute breaks every 30 minutes for drinks, nibbles and a breather. We suggest you leave any hot food and the birthday cake till we finish

Do you supply food / prizes? No.

How many run the activities? Just one. Parents who want to help out are very welcome.

What if it is raining or likely to rain? A passing shower is not a problem but a constant downpour is. Should bad weather be expected you can postpone or cancel. There is no cancellation fee. The final decision can be left till a few hours before the party if need be.

If the party is on your property we can setup the Speed booth under a patio or in a garage. The party is then all about having speed fun. We have already successfully done many such parties

Do you have a Blue Card / Liability insurance? Yes
