

The Aussie Soccer Party for Your Soccer Mad Kid

Soccer Party Fun and Games for ages 8-12

If your child loves soccer then the Aussie Soccer Party is the perfect birthday party treat

We will come to their party with all the gear needed to have a heap of soccer themed fun & games

While we run the fun and keep the children active you can simply sit back, relax and enjoy the party

Unless you have an enormous backyard you really need to have this birthday party fun in a park

At this stage we are only available for parties in the Brisbane area.

What does it cost? \$330 for the more popular 135 minute party or \$396 for a 170 minute party. Both are for up to 20 children and include drinks/nibble breaks. All your other questions are answered further below

What we bring to the party:

-

2 x giant 1m soccer balls

-

2 x big 65cm soccer balls

-

20 x size 3 or 4 soccer balls

-
- 20 micro soccer balls
-
- 100 mini soccer balls
-
- 1 "speed" goal
-
- 2 "target" goals
-
- 2 mini popup goals
-
- 2 crazy catch rebounders
-
- Dodgeballs and a "bazooka" rocket launcher for some different fun
-
- plus 1 coordinator with a stack of ideas on how to have a ton of fun with all this gear

We do not do any serious soccer “stuff” with the children. If you expect a skills clinic with full on training drills and exercises or you want us to teach them to bend it like Beckham we will disappoint. We are only serious about making sure everyone at your child’s birthday party has a heap of fun and a lot of laughs.

If you've never heard of us before and are unsure what to expect see the testimonial below then [click here](#) to find out what many other parents have said about their own party experience with us

Would you like to book your soccer party now?

If so call John on 0418 151 874

or complete our enquiry form and we will get back to you asap.

TESTIMONIAL

"When I saw your soccer party advertised on-line, I thought it was a perfect match for my soccer mad son.

I was very impressed with how smoothly the morning ran. You were there on the day promptly and had all the games ready to go in good time for the kids.

Approximately 20 kids were kept engaged for 2 hours, leaving all the parents free to enjoy the action and chat in the park.

The oversized soccer balls were a huge hit.

The kids' verdict was - 'awesome!'

Your efficiency and courtesy in keeping in touch and confirming dates and times - plus a re-organisation of the event due to rain - was much appreciated.

I wouldn't hesitate to recommend a soccer party by Aussie Sports Party and wish you every success.

Many thanks." Tina

FREQUENTLY ASKED QUESTIONS

How do I make a booking: Complete our enquiry form or call John on 0418 151 874. No deposit is required. It is simply payment on the day; preferably by cash. If you haven't chosen a park yet that's ok. We don't need the details until a few days beforehand which will give you time to find a suitable one.

What time can you do a party? Anytime between 8am and 10am or from 2-30pm onwards. A 2.5 hour party is only possible in the afternoon. Suggestion: Have the kids arrive about 15 minutes before our activities start so all are there for the "kick-off"

Do you do after school parties? No. Only with our other parties which you will find are also cheaper

How many children should I invite? A minimum of 10 and a maximum of 20.

Do the children need to wear special clothing? Enclosed shoes suitable for kicking and a hat

Can you stop for food and drinks? We give the children short breaks during activities to "refuel". We suggest you leave hot food and the birthday cake until the soccer activities are finished.

How many run the activities? One. Parents who want to help out are welcome

What if it is raining or it is likely to rain? A brief shower is not a problem but a constant downpour is. Should bad weather be expected you can postpone or cancel. There is no cancellation fee. The final decision can be left until a few hours before the party if need be.

Do you have a Blue Card / Liability insurance? Yes.

Do you supply prizes / food? No
